- All bedding is provided on centre - one of the very first tasks for all students is making up their own beds!
- Separate showers and toilet facilities are available for girls and boys.

Food glorious food!

It's important for you to maintain high energy levels throughout your stay, so 2 freshly-prepared, healthy cafeteria-style meals are served in the communal dining area every day.

A varied choice is always offered, with both hot and cold meals, a salad bar, at least one vegetarian option and yes, sometimes even chips!

Plenty of juice and water is available at all times.

Bedtime routine

Plenty of sleep is required to recharge the batteries, so lights are turned out promptly!
