Dear Parents and Carers,

Friday 22nd May

On Friday 22nd May, we have arranged a fun-filled and engaging day of activities for the children who are not attending the sleepover. The day has been carefully planned to ensure that all children are fully included and enjoy a variety of exciting, active, and creative experiences alongside their peers.

For the morning session, arrangements for drop-off will be as follows:

- Children in classes 3Y and 3R should be dropped off at the 3Y classroom.
- Children in classes 3B and 3G should be dropped off at the 3B classroom.

The children will be registered on arrival and will then be organised into groups for the morning activities.

Staff will greet and welcome the children at the classroom doors to ensure a smooth and settled start to the day.

## **Morning activities**

Throughout the morning, the children will take part in a range of carefully planned activities designed to encourage teamwork, creativity, and enjoyment. These will include team challenges, cooperative games, arts and crafts activities, and a variety of other tasks. The activities have been designed to promote positive social interaction, build confidence, and ensure that every child has an enjoyable experience.

## **Afternoon activities**

Your child's class teacher will return to school for the afternoon and will be available to welcome the children for the afternoon session. They will take time to see their classes, offer any final messages, and ensure the children are settled and ready to end the day and the term, positively. In the afternoon, the children will take part in a range of outdoor activities on the school field as a whole year group.

The school day will finish for all year 3 children at the usual time of 3pm. There will be after school clubs as usual.

If you have any questions or concerns, please do not hesitate to get in touch. Your child's class teacher should be your first point of contact, as they will be best placed to respond to any class-specific queries. Alternatively, you are also very welcome to contact me directly, and I will be happy to assist where possible.

Best wishes,

Mrs Andrews

Head of Year 3
