

# What's the Name of the Game?

## Maths Competition 2018

Create a maths game.

The game can be any type: Board, Card or team based!

### Rules

Maximum of two entries per school.

You do not need to send the actual game, you should submit either:

The instructions for your game with illustrations.  
This might be in a document, a power point or a video.

Send to: East Kent School Improvement team  
(EKSchImprv@kent.gov.uk) by Tuesday 1st May 2018.

There are prizes to be won, plus the winning games will even be made and shared with Kent schools!

Please return any entries to **Mrs Edwards** in year 5 for a chance at being picked to represent the school in this county maths competition!
