

# Shoot for the St★rs

Behaviour at Upton Junior School

# Team Upton's Expectations

- At Upton Junior School we have high expectations for **all** of our children.
- We expect all children to behave in the 'Upton Way'.
- Our positive Behaviour for Learning (B4L) is shown in how the children behave in class, in and around the school, outside at play/lunchtimes and in after-school activities.
- We also understand that children **are still learning** how to behave appropriately and how to control their emotions

# How does our Behaviour System Work?

- Children start each day with 5 points and they **are expected to keep 5 points each day** for following the Upton Way.
- Children aim to keep all 25 points each and every week
- The system isn't about children being perfect all the time; it's about them recognising inappropriate behaviour and changing it and it gives the opportunity for this to happen

# How does our Behaviour System Work?

**Children who keep all their points.....**

Have a message sent home to parents every week congratulating them

Win behaviour badges

Have Perfect Points time at the end of every week

Have an End of Term Behaviour Treat

Help their class win weekly 'rockets' for excellent class behaviour

Are proud of their achievements

# How does our Behaviour System Work?

- Children who keep all their points.....
- Have a message sent home to parents every week congratulating them
- Win behaviour badges (every 3 weeks)
- Have Perfect Points time at the end of every week
- Have an End of Term Behaviour Treat
- Help their class win weekly 'rockets' for excellent class behaviour
- Are proud of this

# How does our Behaviour System Work?

If a child is...

- Talking when they shouldn't be
- messing around
- refusing to work
- rude
- disrupting the lesson
- displaying the incorrect behaviour

They will be giving a verbal warning.

If their behaviour does not improve then a

is placed on the desk in front of them.

yellow warning card

This will act as a visual reminder to the child that they need to improve their behaviour.

# Changing Behaviour

- If a child improves their behaviour they can then earn the yellow card back. The yellow card can then be removed from the table. They start afresh.
- If a child continues to misbehave the yellow card is changed to a red card.

# Changing Behaviour

- If a child has a yellow card on their desk at the end of the lesson they lose 1 point. They also lose 2 minutes from their 'Perfect Points' time at the end of the week and their behaviour treat at the end of the term'
- If a child has a **red card** on their desk at the end of the lesson they lose 2 points.
- A child starts the week with 25 points. If they end the week with less than 22 points the Class Teacher will phone parents and a member of the Leadership team will speak to the child.

# Daily rewards

- Verbal praise
- Smiles
- Stickers
- Praise pads
- Cool cards. (If a child has a cool card on their table at the end of the lesson they can swap it for a house point as they leave).

# Lanyards

When a child receives their 4<sup>th</sup> behaviour badge they will be given an Upton Lanyard to put their badges on

## Silver Badges

When a child receives their 6<sup>th</sup> behaviour badge they will be given a Silver Behaviour Badge.

## Gold Badges

When a child receives their 12<sup>th</sup> behaviour badge they will be given a Gold Behaviour Badge.

# Class rewards

## Weekly

- The class with the most points in each year group gets a rocket to go on the relevant letter in the classroom. When they have filled up their 'SUPER STARS' the class will have a small reward- art afternoon, DVD, sports etc.
- One of the classes will keep our 'Behaviour Trophy' in their classroom for a week

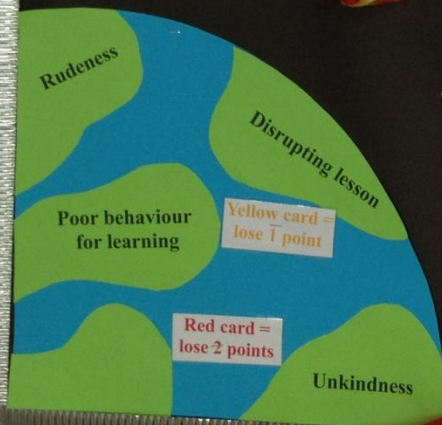

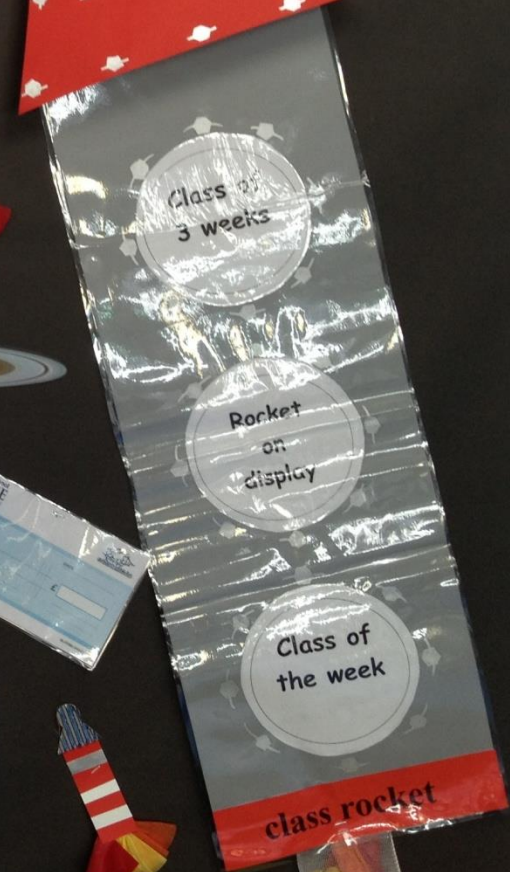

# Class rewards

## Three week rewards

- The class with the most points in each year group gets a £3.00 Upton Voucher to display in their classroom.
- In terms 2, 4 and 6 each class can 'cash' in their vouchers to buy something for the class as a reward/treat.
