

## Leaving School Unaccompanied Permit

The safety of your child is the highest priority for us at Upton Junior School. Because of this, we need to know if your child will leave school at 3:15pm unaccompanied by an adult. If this applies to you, please complete the form below and return it to the school office.

Please note the passes are only applicable at 3:15pm. If your child attends an after-school club at Upton, the club leaders follow the home time arrangements information you provided at the point of the completion of your online form. If this ever changes please let the office know and we can amend your collection arrangements stated on the club registration.
