

We're counting down to Number Day 2019!

Dear Parents and Carers,

We are delighted to be supporting the NSPCC by taking part in their Number Day on **Friday 1 February 2019**.

Children deserve an equal start in life

The NSPCC believes that all children deserve a childhood free from harm but, sadly, that's not the case for many children. That's why the NSPCC is fighting for every childhood and working to help keep children safe from abuse.

The NSPCC needs our support. By raising money, we can help to fund their vital services such as Childline – the helpline that's always there for children and young people whatever their problem or concern.

Making maths meaningful

Number Day is a great way to make maths fun and bring about a positive, 'can-do' attitude towards it.

To raise money for the NSPCC, we are asking for a suggested donation of £1, and we'd love everyone in the school to take part in this special event. We are asking that children come either dressed as Rockstars or wearing a number/maths related item of clothing. This will support our drive to develop the children's times tables knowledge, speed and accuracy.

It all adds up

We're looking forward to the fun of Number Day, and really appreciate your support. All the money we raise at Upton will go towards helping to make an enormous difference to children today and help change the lives of children tomorrow.

Number fun with your child

We're inviting parents in to enjoy Number Day during the children's maths lessons. Appointments will be made available to book via your MCAS account shortly as numbers will be limited due to space in the classrooms. Emails will go out with details of the sessions available, your login information and how to book.

Best wishes,

Mr. R Kettle
