

Colour Run Final Details Letter

Dear Parents/Carers,

As you know, this **Friday 19th July** is our annual Colour Run event. My sincere thanks to all our sponsors who have made the event possible. All children in the school are invited to take part as are you, as parents, and any siblings. You don't need to run at all – just get involved. Below is a reminder of key information:

All entries, be they pupil or parent, are made via www.eduspot.co.uk School Money 'School Shop' tab. Entry costs £3 and includes a medal for all Upton pupils. Pupils can also purchase a pouch of powder. If you have any problems paying this way then simply contact our school office

Pupils must return the permission slip in order to take part. Can we have these in by **Wednesday 17th July** please. Letters have been sent out via the MCAS app and are on the school website and in the school office.

On the day

Pupils come to school in uniform but should bring:

- Something sensible to run in. This is usually shorts, trainers and a white t-shirt.
- A pair of sunglasses or a pair of goggles to protect their eyes
- A bandana or similar to go around your mouth for when you pass through a colour station.
- A towel
- A bottle of water
- A cap to protect from the sun
- Any required medical items

Optional:

- Please accessorise as much as you like – it's meant to be a colourful event! Tutus, coloured wigs; head-bands; wrist-bands; colourful socks, etc are all very popular with colour runners.
- Money for refreshments. Our super PTFA will be selling refreshments

Many of you will already be at school for the Annual Parents Picnic that starts at 12.15pm. The Colour Run will follow this at 1:30pm **and will end at 3.15pm.** Do not take anyone home before this – it's incredibly difficult

for teachers to keep track when they are in the middle of such a large event. At this point children cannot go back into the school because they will be covered in colour and so need to go straight home. All children will need to be collected from their teachers on the field.

Kind regards
Mr Walker
Deputy Head

One Childhood One Chance
