

# All Souls Day Memorial

Friday 1st November 2019 at 2:00pm

This year at Upton we will be marking All Souls Day by holding a bereavement service especially for children and their relatives who have lost a family member during the past year.

The children will be making a wind chime with me, to display from a 'Memory Tree' that we will put in a special place in school. The children will also make a wind chime to take home to keep.

Although we acknowledge that children can be deeply affected by the loss of a beloved pet, this event is reserved for children who have lost a close family member.

If you would like your child to take part in this activity, please sign and return the slip below, by **Tuesday 15th October** at the latest.

Miss D Arthur

---

**Upton Junior School, Broadstairs  
Bereavement Service**

I wish for my child ..... Class ..... and  
I ..... Parent/carer/other to take part in the bereavement  
activity with Miss Arthur
