

Winter Craft Engage Session

YEAR 3 & 4

Years 3 & 4
Wed 20th Nov
2:00 pm ~ 2.45 pm

please make sure the jars are empty, clean, dry & have had any labels or glue fully removed.

Come in and get creative with your child and make something you can enjoy in your home for the coming months.

We will be using recycled jars to create tea light holders to light up the dark evenings or to create an alternative advent calendar in preparation for the festive season.

Bring along two or three jars to decorate.
