Dear Parents and Carers,

Re: Year 3 Local Area 'Rock Bottom' Walk

As part of our 'Rock Bottom' topic, Year 3 are going to go for a walk in the local area, down to the cliffs in Broadstairs to study the cliffs and the rock face. What better way to learn about our local Geography than by going and exploring it for ourselves!

- **3R** and **3Y** will go on Tuesday 3rd December
- **3B** and **3G** will go on Thursday 5th December

We will leave school at approximately 9.30am and plan to return to school before lunch.

Please send your child in to school with a pair of trainers to change in to for the walk. Due to the time of year, please ensure your child also has a warm waterproof coat. Weather permitting, we may venture on to the sand to learn about how sand is made and look for different rocks, stones and pebbles that have washed up or been eroded over time.

This trip is covered under the local trip consent you provided back when your child first started at Upton.

Yours sincerely,

Mrs Pellett

Head of Year 3
