Dear Parent/Carer

Transfer to Secondary Education September 2021

The constraints of Covid-19 mean that we cannot welcome you through our doors for our usual open evening this Autumn but understand that you need to ensure you choose the best possible secondary education for your child.

Hartsdown Academy will do everything we can to help you with this important decision.

This year, we welcome you to book a personal tour with a member of our team. We are offering appointments between 9am – 11am each morning up to half term. Please book with Mrs Easton by calling 01843 578000 or emailing open@hartsdown.org. All Covid-19 measures have been put in place to ensure that both you, and our staff and students, are safe during the tour.

We will also be holding a virtual opening evening on Monday 12th October from 4.00-5.00pm which will include videos and a question and answer session by the Headteacher and Head of Year 7. You can access this via our website www.hartsdown.org

We are extremely proud to run the International Baccalaureate Middle Years Programme at Hartsdown which year 7 students will join on arrival. The Middle Years Programme is a challenging framework that encourages students to make practical connections between their studies and the real world. The MYP is inclusive by design; students of all interests and academic abilities can benefit from their participation.

Our current year 7 students have had a really positive start to the school year and are enjoying the facilities in our brand new building with state of the art computer and technology rooms.

We would be delighted to show you and your child around and answer any questions you may have.

Yours sincerely

Matthew Tate
