Welcome to Dane Court Grammar School. We are sorry that we cannot meet you in person at this time. However, we hope that our admissions website will provide you with all of the information you require. Dane Court is a friendly, supportive, and nurturing community. Our staff and students behave with integrity and are respectful of others. We work hard to build the self-confidence of our students so that they can go on to become happy and fulfilled adults.

We set high standards for all of our students and expect them to attain outstanding GCSE results. In the Sixth Form, our students follow the International Baccalaureate Programme and the vast majority then move forwards to a university of their choice, followed by a fulfilling career in their chosen profession.

We are lucky to have outstanding facilities and we provide a curriculum that is broad, challenging and internationally-minded. There is a rich extra-curricular provision, with many opportunities to participate in a great variety of school-based, local, national and international activities. Educational trips and visits run frequently, to a variety of destinations.

I am sure that you will enjoy our new admissions website and we hope that you find the prospectus to be informative and interesting. We very much hope to be able to welcome you to the school before too long.
