WE NEED YOU!

Calling all parents, grandparents and the wider community...

Do you have a spare afternoon where you find yourself at a loose end? Do you sometimes ask yourself 'how could I really make a difference?'

Here's how you can...

Reading is a vital part of learning and by just listening to a child read it can really boost their confidence. Learning to read takes time and lots of practice and that's where you come in. As parents / grandparents you are your child's most influential teacher with an important part to play in helping your child learn to read.

If you can spare just one or two hours a week starting this term to help other children grow in confidence by becoming able-readers we would most appreciate it. Most importantly, so would our children.

If you are interested in helping us help our children please complete and return the reply slip below. The office will contact you to arrange a time for you to come in.

Spare an hour: Make a difference!
