Viking Academy Trust – High Standards Every Day

Viking Academy Trust schools remain THE choice for children and families.

The latest overview of over-subscribed schools in the county by the Kent independent education advice portal online highlights the popularity of the VAT learning provision.

Chilton Primary and Ramsgate Arts Primary lead the way in Thanet for oversubscribed primary schools with 31 and 13 requests unmet respectively due to demand to join their schools.

And at Upton Juniors in Broadstairs the number of children joining from infant schools across Thanet has increased noticeably at a time when other schools are reporting a drop in these numbers.

Michaela Lewis, Executive Head Teacher at the Viking Academy Trust, is pleased with the way the three schools are performing.

She said: “The figures demonstrate that we are maintaining a high standard. It is gratifying that parents and children choose our schools and it is a testament to the hard work, dedication and enthusiasm of our hard-working staff and governors.

“We set the bar high at the Viking Academy Trust because we believe passionately in giving every girl and boy the best opportunity to develop a real love of learning as they grow on their educational journey. Our Trust-wide ethos of ‘one childhood, one chance’ is very important. Our aim is to continue with these high standards in everything we do.”
