

4B

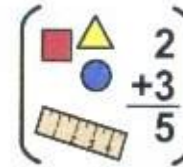

In Term 4, I will have a different class teacher.

Mrs Danson will be at home looking after her new baby so my teacher will be Mrs Watling!

Mrs Watling is already teaching in Year 4 so I might already know her. She will take the register in my class and teach me Topic in the afternoon.

My classroom will stay the same and my daily routine will stay the same.

I might have a different teacher for English and Maths each day. I can always ask Mrs Watling if I am not sure which Learning Group I am in.

I might feel a bit worried about change. This is ok. I can talk to adults in school or people at home who will help me.
