

4G: So far in Year 4 I have been going to Mrs Watling or Mrs Pellett for my Topic learning in the afternoons.

In Term 4, I will stay with my class teacher for Topic learning.

I don't have to move classroom in the afternoons from Term 4 onwards.

My rest of my daily routine will stay the same.

I might have a different teacher for English and Maths each day.
I can always ask my class teacher if I am not sure which Learning Group I am in.

I might feel a bit worried about this change. This is ok.
I can talk to adults in school or people at home who will help me.
