Jewellery, even earrings are best left at home. If they cannot be removed, only studs should be worn. Hair must be tied back away from the face for all activities.

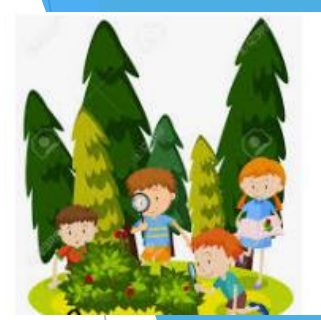

Extras

We want the children to have the most amazing time and so we do not mind if children want to bring activities for the coach journey like card games, books etc (no electronics please).

Although we have a busy schedule, we do not mind if the children want to bring some outdoor games i.e. football, tennis balls etc. The children will be responsible for all of these items so please advise them to pack sensibly.

On the day...

Parents and children should arrive at school on Wednesday 24th May by 8.30am and meet outside the school hall.

Children will be registered with their coach leaders (they will know who this is prior to the morning) and enter the hall to sit with their coach partner.

Please then hand in any medication, clearly labelled with your child's name and in a bag or box. We will walk the children up to the coaches and you are more than welcome to accompany your child to their coach. Our aim is to leave school by 9.00/9-9.15am.

Medical consent forms

Thank you for sending in all the consent forms and medical forms. If you haven't completed them yet please ensure they are completed by the 2nd May.

After the trip they will all be destroyed.

Medication

If your child is unlucky enough to become ill over the next couple of weeks and require additional medication that you have not put on the form – DON'T WORRY!

Please send in a covering letter on the day of the trip and hand it in to us. We will be under the shelter just outside the hall to collect any additional medication on 24th May.

Coming home...

On Friday 26th May, we anticipate leaving Kingswood around 4.00pm with the aim of being back in Broadstairs by 5.00pm. Of course, this will be traffic dependent but we will be in touch with school throughout the journey. If there is any reason for delay this will be posted and you will be notified.

Reminders

Telephone communication is not allowed so please no mobile phones – we will frequently be updating social media and if we need to get hold of you we have all of your contact numbers.

We also request that no electronic games consoles are brought either – we will be far too busy for these!

Please DO NOT WORRY – our children will have the most amazing time and it is a great experience for them all.
