Upton Junior School

This Behaviour Policy is specific to Upton Junior School

1. Purpose

The purpose of the behaviour policy is to outline the expected standard of behaviour from all children attending Upton Junior School so that every learner can succeed in a safe and calm environment. The policy details school ethos and how children and staff should conduct themselves and apply and respond to the behaviour policy so that every child can meet their potential.

The policy outlines how Upton will:

- Provide a **consistent approach** to behaviour management
- **Define** what we consider to be unacceptable behaviour, including bullying
- Outline **how pupils are expected to behave**
- Summarise the **roles and responsibilities** of different people in the school community with regards to behaviour management
- Outline our system of **rewards and sanctions**

Behaviour Principles:

- Every pupil understands they have the right to feel safe, valued and respected, and learn free from the disruption of others
- All pupils, staff and visitors are free from any form of discrimination
- Staff and volunteers set an excellent example to pupils at all times
- Rewards, sanctions and reasonable force are used consistently by staff, in line with the behaviour policy
- The behaviour policy is understood by pupils and staff
- Pupils are helped to take responsibility for their actions

- Families are involved in behaviour incidents to foster good relationships between the school and pupils' home life

The governing board also emphasises that violence or threatening behaviour will not be tolerated in any circumstances.

2. Legislation, statutory requirements and Guidance

This policy is based on advice from the Department for Education (DfE) on:

- [Behaviour in Schools Guidance 2022](#)
- [Searching, screening and confiscation at school](#)
- [The Equality Act 2010](#)
- [Use of reasonable force in schools](#)
- [Supporting pupils with medical conditions at school](#)
- [Keeping Children Safe in Education 2022](#)
- [Preventing and Tackling Bullying 2017](#)
- [Behaviour and Discipline in Schools: Guide for Governing Bodies](#)
- [Mental Health and Behaviour in Schools](#)
- [School suspension and exclusions](#)

It is also based on the [special educational needs and disability \(SEND\) code of practice](#).

In addition, this policy is based on:

- Section 175 of the [Education Act 2002](#), which outlines a school's duty to safeguard and promote the welfare of its pupils
- Sections 88-94 of the [Education and Inspections Act 2006](#), which require schools to regulate pupils' behaviour and publish a behaviour policy and written statement of behaviour principles, and give schools the authority to confiscate pupils' property
- Schedule 1 of the [Education \(Independent School Standards\) Regulations 2014](#); paragraph 7 outlines a school's duty to safeguard and promote the welfare of children, paragraph 9 requires the school to have a written behaviour policy and paragraph 10 requires the school to have an anti-bullying strategy
- [DfE guidance](#) explaining that academies should publish their behaviour policy and anti-bullying strategy online

3. Child on Child Abuse

As outlined in [Keeping Children Safe in Education 2022](#), child-on-child abuse is most likely to include, but may not be limited to:

- Bullying (including cyberbullying, prejudice-based and discriminatory bullying)
- Abuse in intimate personal relationships between children (sometimes known as 'teenage relationship abuse')
- Physical abuse such as hitting, kicking, shaking, biting, hair pulling, or otherwise

- Causing physical harm (this may include an online element which facilitates, threatens and/or encourages physical abuse)
- Sexual violence
- Sexual harassment
- Causing someone to engage in sexual activity without consent
- Consensual and non-consensual sharing of nude and semi-nude images and/or videos
- Upskirting
- Initiation/hazing type violence and rituals

This behaviour policy treats child-on-child abuse as serious misconduct and outlines sanctions in response.

4. Bullying

Bullying can be defined as "behaviour by an individual or a group, repeated over time that intentionally hurts another individual either physically or emotionally". (DfE "Preventing and Tackling Bullying", July 2017)

Bullying is, therefore:

- Deliberately hurtful
- Repeated, often over a period of time
- Difficult to defend against

Bullying can include:

Type of bullying	Definition
Emotional	Being unfriendly, excluding, tormenting, name calling, mocking, gossiping, spreading hurtful and/or untruthful rumours, taunting, making offensive comments
Physical	Hitting, kicking, pushing, taking or hiding another's belongings, any use of violence
Racial/Faith/Cultural	Racial taunts, graffiti, gestures
Sexual	Explicit sexual remarks, display of sexual material, sexual gestures, unwanted physical attention,

	comments about sexual reputation or performance, or inappropriate touching
Direct or indirect verbal	Name-calling, sarcasm, spreading rumours, teasing
Cyber-bullying / online	Bullying that takes place online, such as through social networking sites, messaging apps or gaming sites

The definitions above are covered and expanded upon in full in our [Anti Bullying Policy](#) which also outlines the school response to tackling and preventing bullying. This behaviour policy is designed in conjunction with the Anti Bullying Policy.

5. Leadership and Management

5.1 The governing board

The governing board is responsible for monitoring this behaviour policy's effectiveness and holding the Head of School to account for its implementation. Termly behaviour overviews will be reported to the governing body by the Head of School.

5.2 The SLT

The Head of School is responsible for the successful implementation and review of this behaviour policy.

The Assistant Heads will ensure that the school environment encourages positive behaviour and that staff deal effectively with poor behaviour. The Assistant Heads will monitor how staff implement this policy to ensure rewards and sanctions are applied consistently. Behaviour issues are recorded on Bromcom and the monitoring of this system is the responsibility of the Assistant Heads. Recorded incidents will be reviewed daily and appropriate response / action will be taken as a result.

The Heads of Year will take an active role in dealing with any behaviour issues.

5.3 Senior and Wider Leaders

Heads of Year will support the SLT and school staff in the effective implementation of this policy. They will support colleagues to ensure that it is consistently applied.

5.4 Staff

ALL Staff are responsible for:

- Building positive relationships with children
- Implementing the behaviour policy consistently
- Modelling positive behaviour
- Providing a personalised approach to the specific behavioural needs of particular pupils
- Recording behaviour incidents

The senior leadership team will support staff in responding to behaviour incidents.

5.5 Parents

Parents are expected to:

- Support their child in adhering to the behaviour policy and code of conduct
- Inform the school of any changes in circumstances that may affect their child's behaviour
- Discuss any behavioural concerns with the class teacher promptly

6. Positive Relationships

Fundamental to the success of any behaviour management approach is the foundation of positive relationships between adults and children within a school setting. [EEF Research](#) outlines that *"Pupil behaviour has multiple influences, some of which teachers can manage directly. Understanding a pupil's context will inform effective responses to Misbehaviour. Every pupil should have a supportive relationship with a member of school staff"*.

Class based staff will ensure that they take action to build positive relationships with children and understand their influences. This will be achieved by:

- Meeting and greeting children at the classroom door every morning
- Using class and curriculum opportunities to get to know children
- Listening to children
- Use systems and reward to include and motivate all children
- Communicate regularly with parents
- Explicitly teaching the norms of good conduct and behaviour
- Noticing and praising excellent behaviour from all children
- Create a class environment where respect and kindness is the norm
- Create and maintain a stimulating and calm environment that encourages pupils to be engaged
- Display and consistently enforce the school rules, values, safety and playground codes.

ALL school staff will promote positive relationships by:

- Conducting themselves in a positive, kind and respectful manner
- Promoting and demonstrating the school rules and values
- Greeting children around the school
- Praising and thanking children for excellent behaviour and conduct
- Always managing behaviour in a calm and professional manner

When discussing or addressing conduct and behaviour, all staff will use consistent language choices.

e.g:

- "The rule" is statements
- "Remember to" reminders
- "Track the Speaker"
- Show me three good things

- Show me The Upton Way
- Show me Upton values

Staff will be careful to speak to children regarding their behaviour in a calm and considered way. They will avoid blaming and shaming and use non-verbal signals first before quiet and private conversations are held with children to address particular issues.

Exemplar of Negative Behaviour and there consequences following our school behaviour policy

Our scale of sanctions relates to incidents within a time-limited period. Repetition of the behaviours will, over time, trigger a range of other strategies and sancations e.g. a personsiled behaviuour plan, part time table or an increased length of exculsion. Staff should always use strategies to de-escalate behaviour to avoid children moving to the higher stages too quickly. All behaviours below are indicative: can can not provide a complete list.

Suspension	Consistent behaviour issues after alternative hours may result in a child being suspended Behaviour plan	<i>A suspension may be given without the sequence of internal exclusion and alternative hours: child-on-child abuse, uncontrollable aggression, seriously hurting a child or member of staff, behaviour which puts safety of others at significant risk</i>
Exclusion	Consistent behaviour issues after alternative hours and / or suspension may result in a child being excluded	<i>A child may be excluded for a significant incident or issue without other sanction being implemented previously.</i>
<ul style="list-style-type: none"> • Suspension: will follow DFE and Kent Guidance • Exclusion will follow DFE and Kent Guidance. • Viking Academy Trust Exclusions Policy can be found on the Trust website (www.vikingacademytrust.com) 		

8.8 Serious Incident Forms:

These must be completed after an incident where a child:

- Seriously hurt a child
- Harmed an adult

- Caused significant disruption
- Caused significant damage to property
- Had a prolonged period of disruptive behaviours
- Left the school site

Senior Leaders will direct staff to complete a serious incident form for other behaviour issues not listed above as appropriate.

[Serious Incident Form](#)

9. Support Strategies:

Upton Junior School will implement a range of support strategies in response to the need of individuals. These will be used to support children to meet the behaviour standards expected at the school.

Behaviour Charts

- If a child has identified barriers to consistently keeping points each week, an alternative method of tracking days where all points have been kept may be implemented to ensure a child can work towards Upton badges
- A visual representation of each day where points are kept will be held in the classroom, enabling a child to work towards 15 days (which do not have to be consecutive). When 15 days have been achieved, the child can earn an Upton badge.
- Alternative charts to track success may also be implemented and these will be designed to suit the needs to the child.

Behaviour Cards:

- Both class and / or playground behaviour cards may be issued.
- A grade of 1-4 is awarded for behaviour for each session throughout the day (class) or each break time session throughout the day. 1 is awarded for outstanding behaviour with 4 being the lowest grade possible.
- The card must be signed by a member of SLT at the end of each day. Failure to do this results in an automatic 4 for the next day.
- If a child receives a 4, parents are informed by the class teacher
- Any 4's on the card result in the behaviour card continuing for another week
- Three 4's in a day or four 4's in a week result in an internal exclusion
- Each new term is a "fresh start"
- Parents will be informed should their child be "at risk" of being placed on a behaviour card.

Pastoral Support

The school uses a range of pastoral support strategies to support behaviour including:

- Peer mentoring / buddies
- External counselling services

- Children's Champion

External Agency Support

The school will also consult external agencies to support children's behaviour. These include:

- LIFT (Local Inclusion Forum)
- Thanet Inclusion Support Service
- THRIVE
- NELFT
- Speech and Language Support

Behaviour Plans

Behaviour plans will be written by the SENCo and other relevant staff (e.g. class teacher, Assistant Head, Teaching Assistants) and shared with parents. They will contain detail regarding barriers and challenges that children face with their behaviours and outline strategies to support and overcome these. They will be shared with parents and regularly reviewed to ensure that strategies are appropriate and take in to account any advice given by external agencies. Staff will be supported by the SENCo and Senior Leaders to implement strategies effectively.

10. Off-site behaviour

Sanctions may be applied where a pupil has misbehaved off-site when representing the school, such as on a school trip or on the way to or from school.

11. Malicious allegations

Where a pupil makes an accusation against a member of staff and that accusation is shown to have been malicious, the Head of School will discipline the pupil in accordance with this policy.

Please refer to our child protections and managing allegations policy for more information on responding to allegations. The Head of School will also consider the pastoral needs of staff accused of misconduct.

12. Use of Reasonable Force

In line with DFE Advice [Use of Reasonable Force](#)

Miss Arthur (Head of School); Miss Scarr, Mr Kettle (Assistant Heads) and Miss Claxton (SENCo) are members of staff trained in the use of physical intervention and restraint via Team Teach.

De-escalation techniques should be employed before physical restraint is considered.

In some rare circumstances, staff may use reasonable force to restrain a pupil to prevent them:

- Causing disorder
- Hurting themselves or others
- Damaging property

Incidents of physical restraint must:

- **Always be used as a last resort**
- Be applied using the minimum amount of force and for the minimum amount of time possible
- Be used in a way that maintains the safety and dignity of all concerned
- Never be used as a form of punishment
- Be recorded and reported to parents (serious incident log form)

12.1 Confiscation

Any prohibited items found in pupils' possession will be confiscated. These items will not be returned to pupils.

We will also confiscate any item which is harmful or detrimental to school discipline.

These items will be returned to pupils after discussion with senior leaders and parents, if appropriate.

Searching and screening pupils is conducted in line with the DfE's [latest guidance on searching, screening and confiscation](#).

13. Pupil support

The school recognises its legal duty under the Equality Act 2010 to prevent pupils with a protected characteristic from being at a disadvantage. Consequently, our approach to challenging behaviour may be differentiated to cater to the needs of the pupil.

The school's special educational needs co-ordinator will evaluate a pupil who exhibits challenging behaviour to determine whether they have any underlying needs that are not currently being met.

Where necessary, support and advice will also be sought from specialist teachers, an educational psychologist, medical practitioners and/or others, to identify or support specific needs.

When acute needs are identified in a pupil, we will liaise with external agencies and plan support programmes for that child. We will work with parents to create the plan and review it on a regular basis

14. Pupil transition

To ensure a smooth transition to the next year, pupils have transition sessions with their new teacher(s). In addition, staff members hold transition meetings.

To ensure behaviour is continually monitored and the right support is in place, information related to pupil behaviour issues may be transferred to relevant staff at the start of the term or year. Information on behaviour issues may also be shared with new settings for those pupils transferring to other schools.

15. Training

Our staff are provided with training on managing behaviour on induction and regularly throughout the school year as part of continued professional development. Particular training is given to Early Career Teachers and staff working with children with

identified barriers. 'Team Teach' training for members of SLT is renewed every three years.

16. Monitoring arrangements

This behaviour policy will be reviewed by the Head of School and governing body every year. It will be updated and reviewed in line with any changes to DFE guidance.

17. Links with other policies
