Dear Parents/Carers,

On Tuesday 16th and Wednesday 17th April 2024, Year 5 children have been invited to take part in a railway safety workshop at Margate train station. The message of the workshop is an important one and we hope children will find this experience both informative and fun.

The classes will be going on the following days:

- Tuesday 16th April – 5G in the morning and 5Y in the afternoon.
- Wednesday 17th April – 5R in the morning and 5B in the afternoon.

Children will be getting the train from Broadstairs train station, disembarking at Margate station, where the workshop will take place, and then returning to Broadstairs via train once again.

The trip will take place during school hours; however, the afternoon return train is due into Broadstairs at 14:55. This means that the children from 5Y and 5B will be slightly later leaving school (approximately 15:05) on their respective days. If siblings need picking up from St Midred's first, we will supervise children until they can be collected. We will inform parents if unforeseen circumstances cause a delay in arriving back to school on time.

This workshop is being offered to us for free, so there is no payment required, and children will not need to bring money with them - there is no gift shop. Lunch will be as normal, during school hours; all that children will need to take with them is a water bottle (which they will need to carry).

Children will need to wear full school uniform for the day. As we will be walking to the train station, and some of the workshop may be outdoors, we ask that children come dressed appropriately, including coats. For more information you can visit Travel Safe Travel Smart

Kind regards,

Miss Lewis and the Year 5 team
