

Dear Parents/Carers,

We are delighted to be supporting the NSPCC by taking part in **Number Day** on **Friday 7th February 2025**.

The NSPCC need our support more than ever. By raising money, we can help to fund their vital services such as Childline – the helpline that’s always there for children and young people whatever their problem or concern. On average, a child contacts Childline every 45 seconds.

Making maths meaningful

Number Day is a great way to make maths fun and bring about a positive, ‘can-do’ attitude towards it.

On the 7th February, we are having a fun morning of maths activities, and we will be taking part in **Dress up for Digits**.

Pupils are asked to wear an item of clothing with a number on it (football shirt, cap or even paint a digit on your face!). However, you could get even more creative by dressing in a maths or numbers theme or even as TTRS Rockstar!

Safe fundraising

To help raise money for the NSPCC we are asking for a small donation, if possible. Please donate via your MCAS app or alternatively send this with your child on the day.

It all adds up

We’re really looking forward to all the fun of Number Day, and we really appreciate your support. All the money we raise at Upton will make an enormous difference to children today and help the NSPCC be there for children tomorrow.

Thank you.

Best wishes,

Miss Prescott
