

Celebrating Students Success

Well done Bertie! He was player of the Day on Sunday 9th February for his team Thanet Wanderers Under 10s.

Oliver is obsessed with Lego and Star Wars. He has a lot of Lego sets but more recently has enjoyed making his own MOC's. He created a diorama of The Battle of Endor from Star Wars and it was selected to be on display throughout the Bricks at the museum event at Manston RAF Museum. He was the youngest person to have a MOC on display!

Arlo completed his Big Winter Wander, walking 5k and raising £150 for the World Wildlife Fund.

Margate U9's Gators team have been tree planting at Northdown Park this week.

The half term planting sessions are part of Thanet council's plans to create six areas of mini-woodland to increase tree cover for wildlife and residents.

The team volunteered to go to the event to support MFC's community outreach project and do something that would positively affect the local area.

The youngsters look forward to seeing the trees grow over the years.
